	APPROVAL OF STATE ENGINEER
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
amo rig pla rea two mus acc met tio Eng	wing limitations and conditions: This permit is issued subject to existing rights. It is understood that the unt of water herein granted is only a temporary allowance and that the final water ht obtained under this permit will be dependent upon the amount of water actually ced to beneficial use. It is also understood that this right must allow for a sonable lowering of the static water level. This well shall be equipped with a (2) inch opening for measuring depth to water. If the well is flowing, a valve to be installed and maintained to prevent waste. A totalizing meter must be talled and maintained in the discharge pipeline near the point of diversion and urate measurements must be kept of water placed to beneficial use. The totalizing er must be installed before any use of water begins, or before the Proof of Complem of Work is filed. This source is located within an area designated by the State ineer, pursuant to NRS 534.030. The State retains the right to regulate the use the water herein granted at any and all times. This Permit does not extend the permittee the right of ingress and egress on lic, private or corporate lands. No perforations shall be put in the production casing from ground level to 100 to.
The	amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not t	o exceed 0.5 cubic feet pcr second, but not to exceed 13.10
mil	lion gallons annually.
Wor	k must be prosecuted with reasonable diligence and be completed on or beforeJuly 10, 1988
Proc	of of completion of work shall be filed on or before August 10, 1988
App	lication of water to beneficial use shall be made on or before July 10, 1990
Proc	of of the application of water to beneficial use shall be filed on or before
Мар	in support of proof of beneficial use shall be filed on or before
Com	pletion of work filed IN TESTIMONY WHEREOF, 1 PETER G. MORROS
Proo	State Engineer of Nevada, have hereunto set my hand and the seal of
Cultu	my office, this 10th day of July
Certi	figure No
and the	218 (Rev.) 50608 0.5 State Engineer Femp.

(PERMIT TERMS CONTINUED)

This permit is issued under the preferred use provisions of NRS Chapter 534. The manner of use of water under this permit is by nature of its activity a temporary use and any application to change the manner of use granted under this permit will be subject to additional determination and evaluation with respect to the permanent effects on existing rights and the resource within the ground water basin.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.
